About OpenTree

OpenTree works to facilitate equitable entry and growth in the tech industry through free educational and mentorship programs for candidates.

PATHWAYS

Pathways is a personalized mentorship community that facilitates learning, exploration and self-awareness to strengthen your career.

MENTORSHIP

You'll be matched with a main mentor but also have access to our network of professional mentors depending on your personalized needs. Our community meets weekly for group networking and 1:1 mentorship sessions.

- ✓ Develop career goals
- ✓ Gain confidence
- ✓ Strategize your job search
- ✓ Access employer networks
- ✓ Refine your CV
